Abstracts

Despite the increase in chocolate confectionery consumption during the pandemic, due to consumers spending more time at home and indulging in treats, the category continues to grow, both in volume and value. We are, however, seeing different trends in consumers' selections. For example, one of the subcategories which suffered in 2020, at the height of the pandemic, was boxed assortments due to the associated social distancing restrictions, with a ban on gatherings. However, as society reopened a...
