Abstracts

Cider/perry remained by far the smallest of the five main alcoholic drinks categories in Colombia in 2022, and was also the only one to contract in volume terms. There is no real tradition of cider/perry consumption in the country and so the category receives little promotion and faces limited availability both in the retail channel and in consumer foodservice. Even with consumers looking for new drinking experiences, cider is not the first product they turn to. Instead, consumers are moving to...
