## Abstracts

The cider/perry market has benefited significantly from the removal of restrictions imposed to limit the spread of COVID-19. This is due to the fact that cider/perry is most popular through foodservice channels, as well as amongst health conscious consumers to whom these products seem healthier than other alcoholic beverages because they are made from apple juice. Once the lockdown period came to an end, all clubs, bars, and restaurants were allowed to serve alcoholic drinks, which provided a pa...
