## Abstracts

Cigars and cigarillos are not popular in Thailand as they carry high prices, have a strong taste and can rarely be found in general grocery stores. Moreover, cigar consumption is associated with affluence, older people and high society. Thus, cigars and cigarillos is a niche category in the country. Cigars and cigarillos are sometimes smoked for leisure, as part of a lifestyle. No local company is present in cigars. Most cigars available in Thailand are imported from Cuba, Belgium and the US.
