Abstracts

The smoking of cigars remains unpopular in Tunisia with no specific tradition of smoking them, as a result, the number of consumers who do smoke cigars continues to decline. One of the main reasons for this decline is the high price and limited range of cigars on offer in Tunisia. Even the tradition of offering cigars as a gift has disappeared. As a result, cigars is no longer attracting any new consumers and its sales remain based on existing smokers of cigars.

Euromonitor International's Cigars in Tunisia report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2010-2014, allowing you to identify the sectors driving growth.
