## Abstracts

Clothing and footwear specialist retailers saw stagnant value sales of €1,619 million in 2010. This poor performance was due to the ongoing recession, which forced consumers to limit their spending. Also, the number of outlets of clothing and footwear specialist retailers declined from 3,435 in 2009 to 3,428 in 2010, which also had a negative impact on value sales. Due to strong competition and harsh economic times, discounting and special offers were essential in the attempt to keep up with...
