Abstracts

The slow economic recovery in Slovakia is creating continual pressure on retailing by keeping demand for clothes and shoes lower. In theory, the economic situation should push the prices lower, but in this case the opposite was the reality, as unit prices recorded slight growth in 2010.

Euromonitor International's Clothing and Footwear Specialist Retailers in Slovakia report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

Product coverage: Beauty Specialist Retailers, Chemists/Pharmacies, Convenience Stores, Department Stores, DIY, Home Improvement and Garden Centres, Forecourt Retailers, Furniture and Furnishings Stores, Independent Small Grocers, Jewellers, Mass Merchandisers, Media Products Stores, Other Healthcare Specialist Retailers, Other Leisure and Personal Goods Specialist Retailers, Parapharmacies/Drugstores, Pet Shops and Superstores, Sports Goods Stores, Stationers/Office Supply Stores, Traditional Toys and Games Stores, Variety Stores, Warehouse Clubs.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

Get a detailed picture of the Clothing and Footwear Specialist Retailers market;

Pinpoint growth sectors and identify factors driving change;

Understand the competitive environment, the market's major players and leading brands;

Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 30 years experience of publishing market research reports, business reference books and online information systems.
