Abstracts

In December 2009, Taiwanese designer Johan Ku won the Avant-Garde Award of Gen Art Style, a prestigious international design award. Increasingly, Taiwanese consumers paid more attention towards the clothing and footwear of local designers. Simultaneously, more and more independent Taiwanese clothing brands began emerging and were marketed as being 100% made in Taiwan. Made in Taiwan products covering categories including clothing and footwear, packaged foods and housewares were a hot topic...

Euromonitor International's Clothing and Footwear Specialist Retailers in Taiwan report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight.
