## Abstracts

Coca-Cola GmbH invests heavily in all kinds of advertising so as to maintain the image of its brands. At the same time, Coca-Cola is present in most soft drinks categories, mainly through acquisitions. This allows it to reach out to different consumer groups, which is necessary for the company because carbonates are generally regarded as less healthy than other soft drinks and the category is prone to future losses in value sales.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

**Product coverage:** Asian Speciality Drinks, Bottled Water, Carbonates, Concentrates, Juice, RTD Coffee, RTD Tea, Sports and Energy Drinks.
