## Abstracts

Though growth in coffee is nothing new, the nature of this growth is shifting. Expansion continues, but from a wider range of categories, channels, and occasions, from ready-to-drink coffee to online commerce to coffee shops. This new report seeks to connect those dots, examining the world of coffee from end to end, and considering what's next.

Euromonitor International's Coffee in 2018: The New Era of Coffee Everywhere global briefing offers an insight into the size and shape of the Hot Drinks market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The analysis can focus on both retail and foodservice.

**Product coverage:** Coffee, Other Hot Drinks, Tea.
