ID: C309C8B738BEN

Abstracts

Coin is expected to continue to focus on optimising its store network in the forecast period. The company is expected to increasingly focus on luxury department stores, with a focus on large central locations that are likely to appeal to tourists. This could well result in further reduction in its Coin chain in the forecast period, with the company likely to close outlets that are not in such strategic locations or to convert them to OVS outlets. There could however be further store openings for...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
