## Abstracts

The global market for home care is being influenced by factors beyond hygiene. While challenges like inflation and the rising cost of living are driving innovations around energy management, factors like wellness and digitalisation are also bringing opportunities for players. This briefing explores the competitive state of play in the home care industry, and the different strategies being deployed by players in a post-COVID-19 world.

Euromonitor International's Competitor Strategies in Home Care global briefing offers an insight into to the size and shape of the Home Care market, highlights buzz topics, emerging regions, countries and categories as well as pressing industry issues and white spaces. It identifies the opportunity zones within home care, analyses leading companies and brands and offers strategic analysis of major factors influencing the market - be they new product developments, packaging/ format /ingredients innovations, economic/lifestyle/environmental influences, distribution or retail pricing issues. Forecasts illustrate how the market is set to change and criteria for success.

**Product coverage:** Air Care, Bleach, Dishwashing, Home Insecticides, Laundry Care, Polishes, Surface Care, Toilet Care.
