## Abstracts

The global hot drinks industry continues to record strong growth, with greater consolidation of the industry through merger and acquisitions as well as partnership with retailers and foodservice players. At the same time, regional players from Asia Pacific have expanded their presence, challenging the global players for a share of the coffee market. Over the next few years, challenges remain for hot drinks companies navigating economic downturn, inflationary pressures and climate change.

Euromonitor International's Competitor Strategies in Hot Drinks global briefing offers an insight into to the size and shape of the Hot Drinks market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The analysis can focus on both retail and foodservice.

Product coverage: Coffee, Other Hot Drinks, Tea.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
