Abstracts

Concentrates is the eighth largest market in retail value sales in soft drinks. Latin American countries include three of the top 10 largest concentrates markets in the world – Brazil, Mexico and Argentina. Although the category has historically expanded thanks to affordable unit prices during economic crises, there are still opportunities in the region if manufacturers are prepared to change their strategies and business models to reposition the category.

Euromonitor International's Concentrates in Latin America global briefing offers an insight into to the size and shape of the Soft Drinks market, highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The analysis can focus on value and volume for both off trade and on trade.

Product coverage: Asian Speciality Drinks, Bottled Water, Carbonates, Concentrates, Energy Drinks, Juice, RTD Coffee, RTD Tea, Sports Drinks.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
