Abstracts

Boxed assortments was the confectionery category that was worst affected by the COVID-19 pandemic in Singapore in 2020, when its packaging unit volumes recorded a sharp decline after a number of years of positive growth. This saw all pack types used in boxed assortments – other rigid containers, folding cartons, other plastic trays, flexible plastic, aluminium foil and flexible paper/plastic – in decline in 2020. However, in 2021, as more social interaction was allowed, in line with Phase 3 of S...
