Abstracts

In 2019, consumer appliances in Taiwan continued to register slow but steady retail volume growth. All major appliances categories except large cooking appliances returned to growth, recovering from the recession caused by the depression in the housing market seen since 2016. Amongst major appliances, dishwashers continued to post the fastest retail volume growth, due to busy lives and continuous marketing efforts through all major retail channels. Within small appliances, vacuum cleaners contin...

Euromonitor International's Consumer Appliances in Taiwan report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2015-2019, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market – be they new product developments, format trends or distribution issues. Forecasts to 2024 illustrate how the market is set to change.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

Get a detailed picture of the Consumer Appliances market;

Pinpoint growth sectors and identify factors driving change;

Understand the competitive environment, the market's major players and leading brands;

Use five-year forecasts to assess how the market is predicted to develop.

Euromonitor International has over 40 years' experience of publishing market research reports, business reference books and online information systems. With offices in London, Chicago, Singapore, Shanghai, Vilnius, Dubai, Cape Town, Santiago, Sydney, Tokyo and Bangalore and a network of over 800 analysts worldwide, Euromonitor International has a unique capability to develop reliable information resources to help drive informed strategic planning.

Contents

EXECUTIVE SUMMARY

Growth is maintained by recovery in most major appliances categories

Energy efficiency remains the main purchasing criteria

Panasonic extends its lead thanks to its long presence and good reputation

Players use more distribution channels to reach a wider consumer base

Continued growth despite maturity, especially for products which save time or energy
