## Abstracts

In 2023, the consumer health market in Bulgaria is set to see steady current value growth, with sales set to continue to fall at constant 2023 prices, though at a slower rate than in the previous year in both cases. Consumer preferences are shifting toward more healthy lifestyles as part of a general rise in health awareness and growing interest in overall wellbeing. As a result, categories such as vitamins and dietary supplements are seeing significant increases in demand. However, despite the...
