Abstracts

Despite ongoing economic instability and the high rate of inflation, the consumer health market in Romania is witnessing steady growth in 2023. Notably, it is the categories of vitamin and dietary supplements, cough, cold and allergy (hay fever) remedies, and sports nutrition that have emerged as the strongest performers within the market. These categories have displayed robust and impressive growth, reflecting the unwavering demand for products aimed at promoting wellbeing and addressing common...

Euromonitor International's Consumer Health in Romania report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2018-2022, allowing you to identify the sectors driving growth. Forecasts to 2027 illustrate how the market is set to change.
