Abstracts

Gross consumer lending's growth is continuing to outperform outstanding balance, driven by card lending, as local consumers spend more with the reopening of society and cross-border travel. However, outstanding balance on card lending (encompassing card purchases and loans against the card) has notably risen in 2023 to outperform gross lending. Due to increased loan requirements by banks to mitigate delinquency rates, consumers with low creditworthiness or those with full loan limits are turning...

Euromonitor International's Consumer Lending in South Korea report establishes the size and structure of the market for ATMs cards, smart cards, credit cards, debit cards, charge cards, pre-paid cards and store cards.
