Abstracts

In the upcoming years, consumers and businesses face an array of challenges, with income inequality, mass migration and rising uncertainty about another crisis being among the major ones. Nevertheless, within this lie untapped opportunities. This briefing explores the impact of the societal disruptions and shortlists prospects for companies that act proactively and address the disruptions holistically and early on.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
