## Abstracts

In the upcoming years, consumers and businesses face an array of challenges, with rising income inequality being among the key ones. Nevertheless, addressing the income inequality through catering to the Bottom of the Pyramid and the Middle Class consumers also presents growth opportunities. This briefing shortlists strategies for companies that act proactively and address rising inequality early on.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow
