## Abstracts

2023 was not a good year for convenience retailers in Bulgaria. With inflation still being high, consumers cut back on spending in convenience retailers, as prices tend to be higher than in other grocery retailers. In addition, there is a degree of restructuring going on, with some of the larger grocery retailers such as supermarkets launching formats that compete directly with convenience retailers. As such, some outlets also closed in 2023. However, this mainly applied to convenience stores, a...

Euromonitor International's Convenience Retailers in Bulgaria report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers.
