## Abstracts

The company's growth strategy includes sustaining high standards of customer service and consolidating its focus on higher-value products. Specialist niches and high-margin business categories are set to be a major focus for the company during the forecast period. Other actions considered important for the company's future strategy are the preservation of a competitive cost structure and building a solid financial structure, as well as heavy investment in state-of-the-art technology to increase...

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
