Abstracts

Costco President Taiwan is expected to continue its strategy of gradual outlet expansion around Taiwan. The company must also ensure and maintain strict quality control of its product portfolio, which is the key differentiating factor between it and its competitors. Costco is also anticipated to further refine its online shopping experience to enhance the success of this new channel for the company.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Non-Store Retailing, Store-based Retailing.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
