Abstracts

In 2022, cough, cold and allergy (hay fever) remedies was marked by increases in demand for products to soothe sore throat and cough complaints. This development was a result of extremely high morbidity throughout the year. In the first half of 2022, the respiratory diseases season stretched until May, while it usually peaks between February and March. Additionally, the Russian invasion of Ukraine and the flow of refugees fleeing war from February 2022 led to an increased demand for OTC products...
