## Abstracts

Craft spirits are becoming increasingly widespread across a range of markets as interest for artisanal products grows in the wake of shifting lifestyle trends. But just how big is the craft spirits market? And what are the challenges facing craft producers, and the spirits industry as a whole? We explore the key issues impacting the craft spirits market, not least by trying to better understand what 'craft' actually means, while also exploring the parallels and divergences with craft beer.

Euromonitor International's Craft Spirits: Distilling the Facts Behind the Buzz global briefing offers an insight into to the size and shape of the Alcoholic Drinks market in both the off-trade and the on-trade, it highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands by total volume, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success.
