Date: August 2016

Pages: 2

Price: US\$ 150.00 (Single User License)

ID: C218262E14FEN

Abstracts

Crown Seal PCL is expected to focus on developing plastic closures meant for PET bottles over the forecast period, given the latter are increasingly being used in non-alcoholic drinks. The expansion of production capacity in this area is also expected as the company is looking to meet the needs of its customers. As the company seeks to consolidate its leading position in closures, it is also likely to explore launching new innovative closure types over the coming years.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
