Abstracts

As emerging markets grow in strategic importance with the expansion of the middle class, as wealthy developed markets reach maturity, manufacturers are on a quest to find the right balance for growth, although further challenged by consumer diversity in the global marketplace. To address the growing complexities in the beauty market, manufacturers have resorted to streamlining their portfolios to help develop more in-depth focus while the market witnesses growing segmentation.

Euromonitor International's Customisation and Increasing Segmentation Spell Growth in Beauty global briefing offers an insight into to the size and shape of the Beauty and Personal Care market and highlights buzz topics, emerging geographies, categories and trends as well as pressing industry issues and white spaces. It identifies the leading companies and brands, offers strategic analysis of key factors influencing the market - be they new product developments, packaging innovations, economic/lifestyle influences, distribution or pricing issues. Forecasts illustrate how the market is set to change and criteria for success. The report also explores developments in the premium vs mass/masstige segments, and the evolution of novel beauty concepts.

Product coverage: Baby and Child-specific Products, Bath and Shower, Colour Cosmetics, Deodorants, Depilatories, Fragrances, Hair Care, Mass Beauty and Personal Care, Men's Grooming, Oral Care, Oral Care Excl Power Toothbrushes, Premium Beauty and Personal Care, Sets/Kits, Skin Care, Sun Care.
