## Abstracts

Overall, dairy products and alternatives is expected to see only modest, if slightly faster, retail volume (tonnes) growth in 2023, compared with 2022. Vietnam's economy faces various challenges at the end of the review period. The country has experienced tremendous challenges on numerous fronts from the start of 2023. For example, a drop in demand from key export markets has had a significant impact on manufacturing. Furthermore, the tourism industry has been hampered by visa restrictions and t...
