Abstracts

At the end of the review period, other dairy products, such as cream and dairy-based desserts, were considered to be luxury items. During difficult economic times people cut back on product purchases they do not consider necessary. Thus, the category performed worse in both 2009 and 2010 than the review period average. On the other hand, in 2010, the volume and current value growth registered in other dairy products was higher than in 2009 as the economy performed better in 2010 compared to...
