Abstracts

In 2010 health was the main driver of growth in the yoghurt category and pro/pre biotic yoghurt products performed well despite the EFSA's restrictions on their health claims. Activia successfully targeted health conscious women through women's magazines and a TV advertising campaign featuring the popular actress Martine McCutcheon.

Euromonitor International's Yoghurt in United Kingdom report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2005-2009, allowing you to identify the sectors driving growth. It identifies the leading companies, the leading brands and offers strategic analysis of key factors influencing the market - be they new product developments, distribution or pricing issues. Forecasts to 2014 illustrate how the market is set to change.
