Abstracts

During the review period, Dante International took internet retailing in Bulgaria by storm, climbing to pole position in the channel in just five years. Nevertheless, the company does not seem satisfied and aims to nearly triple its sales before the end of the forecast period. The company plans to do so by increasing the complexity of its services, adding physical showrooms and making further improvements to its logistics.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
