Price: US\$ 150.00 (Single User License)

ID: DE5973F2200EN

Abstracts

DBS Group is set to take steps to revive the bank's sustainable growth over the forecast period. Transaction banking remains a priority area as the financial payments and cash management arena remains very fragmented in Asia. In order to make the most of this significant opportunity, DBS Group will need to strengthen its Intra-Asia network connectivity from its base in Singapore and expand its focus on countries with emerging economies.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
