Abstracts

Delima Oil Products plans to increase its focus on higher-end packaged food in the forecast period, with such products offering higher margins. The company has thus announced plans to launch higher-quality margarine and high-grade palm oil blends with sunflower oil and canola oil. The company thus plans to invest heavily in research and development and aims to become the leading player in palm oil-based packaged food in Malaysia.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
