## Abstracts

2021 saw the Singapore-origin department store Robinsons become one of the highest-profile casualties of the COVID-19 pandemic in Malaysia as both of the Robinsons department stores in the country closed down permanently, with the retailer winding up its store-based operations in Malaysia completely during the early stages of the year. This follows the October 2020 entering into liquidation of Robinsons' Singapore-based parent company. The retailer has been sanguine about its failure to crack th...

Euromonitor International's Department Stores in Malaysia report offers insight into key trends and developments driving the industry. The report examines all retail channels to provide sector insight. Channels include hypermarkets, supermarkets, discounters, convenience stores, mixed retailers, health and beauty retailers, clothing and footwear retailers, furniture and furnishing stores, DIY and hardware stores, durable goods retailers, leisure and personal goods retailers. There are profiles of leading retailers, with analysis of their performance and the challenges they face. There is also analysis of non-store retailing: vending; homeshopping; internet retailing; direct selling, as available.

**Data coverage:** market sizes (historic and forecasts), company shares, brand shares and distribution data.
