Abstracts

Depilatories faces growing competition from the booming permanent hair removal market. Permanent hair removal has been offered for years by chains of professional clinics such as American Laser and Proportion, with prices also declining, making the method more affordable for many. In addition, cosmeticians offer permanent hair removal, with a growing number choosing to offer this as a complementary service to various other beauty treatments. Not only is the method more widely available, but the...

Euromonitor International's Depilatories in Israel report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2014-2018, allowing you to identify the sectors driving growth. Forecasts to 2023 illustrate how the market is set to change.
