Abstracts

COVID-19 relegated to the background OTC drugs that are perceived as unnecessary, such as medicated shampoos and hair loss treatments. Prices of such products rose significantly in the first half of 2021 which made them even less attractive to consumers during a time when consumer disposable incomes are on the decline. The economic repercussions of the COVID-19 pandemic have led to the disappearance of some branded products in the category, such as Freederm medicated shampoo by Byer AG and Nizor...

Euromonitor International's Dermatologicals in Belarus report offers a comprehensive guide to the size and shape of the market at a national level.
