Abstracts

Medicated shampoo is expected to register the highest current value growth in dermatologicals in 2023, with the big winner being Genommalab's Medicasp. This brand has significantly increased value share over the review period. With substantial investments in television advertising, Medicasp has successfully reached a wide audience and generated high brand recognition. Also, what sets Medicasp apart in its promotional approach is that specific retailers are mentioned. By mentioning specific retail...

Euromonitor International's Dermatologicals in Ecuador report offers a comprehensive guide to the size and shape of the market at a national level.
