## Abstracts

Dermatologicals has seen a return to growth in current value terms in 2023, which is mainly due to the waning impact of COVID-19 on consumer lifestyles and behaviours. Antipruritics is one of the largest categories within dermatologicals and has also been one of the most dynamic categories in 2023. Sales are being driven by people getting out and about again for work, leisure and travel, all of which is increasing the risk of sunburn, insect bites and allergies. Demand has also benefited from th...
