## Abstracts

All categories recorded volume decline, but antipruritics and nappy (diaper) rash treatments showed the smallest volume losses thanks to a more competitive environment. These are products that have attracted companies in the beauty and cosmetics industry, with special emphasis on the supply of rash treatments for nappy/diaper users. Most antipruritics are presented as talcum powder with a few brands available in liquid form, and are abundantly found on shelves at pharmacies and parapharmacies. C...
