Abstracts

Dexxon continues to focus on the penetration of new global markets by expanding its research and development activity. The company is seeking development partners in order to cooperate and develop new products. In 2013 the company bought shares in various companies all over the world, thus infiltrating different markets. The company owns 21% of the shares in American biomed company Medigos, which allows the company to use its distribution channels.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Allergy Care, Herbal/Traditional Products, OTC, Paediatric Consumer Health, Sports Nutrition, Vitamins and Dietary Supplements, Weight Management.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
