Abstracts

Leveraging Euromonitor International's proprietary Digital Consumer Profiles segmentation analysis, this briefing explores the Latin American digital consumer's defining characteristics, motivations and preferences and how that impacts how these consumers shop and spend digitally. This briefing concludes by outlining five promising digital commerce opportunities in Latin America.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
