Abstracts

Online sales outpaced all other distribution channels over 2012-2017. Pure play online retailers (e.g. Wayfair, Casper, Amazon, Pepperfry etc.) are disrupting the home and garden industry, offering online sales and transforming the homewares and home furnishings retail landscape. Online retailers are winning the competition for market share, but still face profitability issues, as well as delivery and logistics challenges.

Euromonitor International's Digital Disruption: Online Retailers Raise the Stakes global briefing offers the big picture view of the size and shape of the Home and Garden market. The report delivers strategic insight into some of the key areas of the market, including emerging regions, countries and categories, as well as pressing industry issues and white spaces. It identifies opportunities, analyses leading companies and brands, and offers analysis of major factors influencing the market. Forecasts illustrate how the market is set to change and criteria for success

Product coverage: Gardening, Home Furnishings, Home Improvement, Homewares.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
