Abstracts

Digital has redefined delivery. The confluence of macroeconomic, demographic and lifestyle trends that are underpinning evolving consumer expectations alongside the arrival of new technologies has led to commerce players reimagining the last mile. This equates to new speeds, new forms and even new methods with which consumers receive said goods and services.

Strategy Briefings offer unique insight into emerging trends world-wide. Aimed squarely at strategists and planners, they draw on Euromonitor International's vast information resources to give top line insight across markets and within consumer segments. Written by some of our most experienced analysts, they are designed as provocations for senior management to use in their own forum, allowing them to stand back and reflect on the behaviour and motivation driving global markets today and tomorrow

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
