Abstracts

Dimare is a private family company, founded in 1965 by Antonio Dimare. At the end of the review period, the company was run by his four sons and one daughter. The company was purely a toy manufacturer until the early 1990s, when it had to transform itself into an importer in order to survive, until 2002 when it began manufacturing again. The company is present only within toys and games.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.

Product coverage: Traditional Toys and Games, Video Games.
