Abstracts

Dipi Comercio de Joias e Acessorios Eireli is a fast-growing costume jewellery manufacturer with kiosks in 23 Brazilian states and the country's Federal District. Considering the company's rapid growth since opening in 2011, expectations are that the expansion of its franchises to new markets will continue in 2016 and beyond. The company will not be affected by the recent regulation of cheap metals since it does not currently use these materials.

Euromonitor International Local Company Profiles are a concise set of briefings detailing the strategic direction taken by a company. Discover key contact details, the company background and their competitive positioning through this collection of snapshot company profiles.
