Abstracts

Following a three-year period of decline, direct selling in the Philippines registered modest growth in current value terms in 2023. The channel suffered losses during the pandemic, when agents were unable to sell to their customers on a face-to-face basis. Direct sellers also suffered from continued competition from the e-commerce channel, including online marketplaces, such as Lazada and Shopee, where products, such as homeware, could often be found at cheaper prices. These marketplaces also t...
