Abstracts

Dishwashing in Western Europe as a whole is a mature category, characterised by low growth rates and an increasing concentration on all-in-one monodose dishwashing tablets, the convenience of use of which appeals to consumers. However, a shift in distribution is expected, owing to vertical integration by appliance manufacturers and innovative auto-dose solutions.

Euromonitor International's Dishwashing in Western Europe global briefing offers an insight into to the size and shape of the Home Care market, highlights buzz topics, emerging regions, countries and categories as well as pressing industry issues and white spaces. It identifies the opportunity zones within home care, analyses leading companies and brands and offers strategic analysis of major factors influencing the market - be they new product developments, packaging/ format /ingredients innovations, economic/lifestyle/environmental influences, distribution or retail pricing issues. Forecasts illustrate how the market is set to change and criteria for success.

Product coverage: Air Care, Bleach, Dishwashing, Home Insecticides, Laundry Care, Polishes, Surface Care, Toilet Care.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
