## Abstracts

Shares for publicly listed Steinhoff International Holdings Ltd (“Steinhoff”) went into free fall in early December 2017, following the resignation of its CEO, as well as the company’s decision to delay 2017 results and to launch an investigation into alleged accounting irregularities. To avoid total collapse, Steinhoff may need to divest assets in order to stay afloat, but first the company is tasked with proving that assets are correctly valued.

Euromonitor International's Does Steinhoff Face Total Collapse? global briefing offers the big picture view of the size and shape of the Home and Garden market. The report delivers strategic insight into some of the key areas of the market, including emerging regions, countries and categories, as well as pressing industry issues and white spaces. It identifies opportunities, analyses leading companies and brands, and offers analysis of major factors influencing the market. Forecasts illustrate how the market is set to change and criteria for success

**Product coverage:** Gardening, Home Furnishings, Home Improvement, Homewares.
