Abstracts

The rise in the ageing population and single households as well as modern lifestyles had a strong impact on the choice of pets preferred in Switzerland. Thus, the popularity of cats as house pets grew partly due to the convenience and partly due to the fact that cat owners were not taxed. As the majority of the Swiss population live in flats, cats are ideal as pets as they occupy only a small space and are low maintenance pets, which appeals to people with busy lifestyles or the ageing...
